**Mangrove Plantation drive undertaken by Gujarat Maritime Board**

Gujarat Maritime Board being a major stakeholder in the coastal region of Gujarat state, has taken measures and initiatives to promote CSR activities and is involved in eco-restoration partnering with coastal community in addition to providing technical assistance to Fisheries Department( nodal agency for promoting fisheries works). The board has so far undertaken more than 150 ha of mangrove plantation in recent past in Dholai, District-Navsari, Jakhau, District-Kachchh, Hansot, Dstrict-Bharuch.

Presently Gujarat Maritime Board has completed time phased mangrove plantation program over 30 ha. area at Ankalava Village, Bharuch district with the help of local community.
